

# OSHA SHIELD<sup>SM</sup>

PROTECTION YOU CAN'T AFFORD TO BE WITHOUT

OSHA Shield<sup>SM</sup> offers a full range of safety and human resources services to help decrease the injuries and workers compensation premiums, while increasing overall safety performance and productivity. Protection plans include: illness and injury prevention plans, chemical hazard communication programs, on-site training & safety inspections, drug and alcohol testing programs, and safety program development.

All OSHA Shield<sup>SM</sup> plans can be customized to meet your every need and are payable in monthly installments.
